

John Benedict Z. Damalerio

BSIT-4

PRELIM REQUIREMENT

MAVEN QUIZ 1

The screenshot shows the Maven Crash Course Quiz 1 interface. At the top, a green banner displays a star icon and the message: "Great job! You are ready to move on to the next lecture. You got 4 out of 5 correct." Below this, a "What you know" section contains two questions: "Maven is..." and "Why does the instructor feel starting the course using the command line / terminal instead of a graph...". A "Retry quiz" button and a "Continue" button are visible. The right sidebar shows the course content, with Quiz 1 highlighted. The bottom section of the page describes the course as a "Quick introduction of core concepts reinforced with practical, project-based examples using Maven, Git and Eclipse."

MAVEN QUIZ 2

The screenshot shows the Maven Crash Course Quiz 2 interface. At the top, a green banner displays a star icon and the message: "Great job! You are ready to move on to the next lecture. You got 3 out of 3 correct." Below this, a "What you know" section contains two questions: "In the command mvn package the package refers to what?" and "Where does Maven expect to find the primary source code for Java projects by default?". A "Retry quiz" button and a "Continue" button are visible. The right sidebar shows the course content, with Quiz 2 highlighted. The bottom section of the page describes the course as a "Quick introduction of core concepts reinforced with practical, project-based examples using Maven, Git and Eclipse."
