Sir:

Good day!

I am Germaine T. Lajera, a 4th year BSIT student, and I would like to apply for the CIT-U Siblings Discount Privilege. I have 2 siblings (brothers) who are also currently enrolled in CIT:

- Patrick Gillean Lajera, a 4th year BSECE Student
- Gelo Nikolai Lajera, a 1st year BSCpE Student

Given today's difficult times, this privilege would immensely assist us in our academic pursuits. We are dedicated to our studies and believe this support will enable us to focus on our education more effectively.

Hoping for my application to be considered.

Respectfully yours,

GERMAINE T. LAJERA
Student
